

God's Movie Stars Lesson

- Name That Movie Star Game!

- Ask the kids questions about movie stars:
- Who is your favorite movie star or character?
- Why do you like them?
- Movie stars seem so glamorous because they make lots of money, everyone knows who they are because they're super famous, and everyone wants to be like them.
- That's cool and all, but did you know that we are movie stars to God?
- You may not think you're anything special, or no one knows your name, or you haven't been in a big million dollar movie, but God sees things differently than the world does.

- 3 Ways to know that we are all God's Movie Stars:

- 1. God knew us before we were born.

- Read Psalm 139:13-16

- God created each and every one of us and even watched over us before we were even born!

- 2. God knows our names.

- Read John 10:3

- Who is the shepherd in the verse? Who are the sheep?
- It's amazing that the God who created everything knows every one of our names!
- You want to hear something even crazier?
- Read Luke 12:7

- God even knows the number of hairs on your head! You don't even know that!

- 3. God knows our needs.

- Read Matthew 6:31-33

- We don't have to worry about not having the things we need because we have God looking out for us from heaven.
- He promises us that if we live for him and seek after him in prayer that we will have everything we need.
- Does that mean that if you ask for a new video game system it's going to pop out of heaven?
- What are some things we need? Food, clothes, water, shelter, family
- Movie stars are pretty cool, but I would much rather be famous with the God who created the universe than be famous in the world.
- Let's pray and thank God for creating, loving, and knowing us!
