Station 1: Write it out - Prayer journals - decorate and put together prayer journals to use each week. Pass out prayer journals to those who made them last week and encourage them to continue to add prayers to it and decorate it, they can also get new sheets to add to their prayer journals if they fill some of them up. Have new kids start a new prayer journal.

Station 2: Pray Scripture - Break kids up into groups of 2 or 3, each group must have a Bible and a Scripture work sheet with verses and blanks for them to write them in when they find them. Have quite a few Bibles available - list of verses for the kids to look up. Verses: Philippians 4:19, 1 Thessalonians 5:16-18, Matthew 6:31-32, James 5:15, Luke 12:31, Psalm 136:25. Make it a game. The first team to work together to find all the verses and write them into their worksheet wins, give all the kids in the winning group a small prize.

Station 3: Talk To God - Describe God Worksheet - give each kid a sheet of paper with each letter of the alphabet and have them try to come up with as many words as they can to describe God. ABC Game - Have kids get in a circle and pass a ball around. Every time the ball gets passed the group must come up with a word that describes God for the next letter of the alphabet. Keep playing until you get to the end of the alphabet. Play again if desired.

Fun Station (everyone comes together at the end for this station) - Cupcake decorating - A follow up activity to last week's plain cupcakes.
