Station 1: Write it out - Prayer journals - decorate and put together prayer journals to use each week. Pass out prayer journals to those who made them last week and encourage them to continue to add prayers to it and decorate it, they can also get new sheets to add to their prayer journals if they fill some of them up. Have new kids start a new prayer journal.

Station 2: Pray Scripture - Break kids up into groups of 2 or 3, each group must have a Bible and a Scripture work sheet with verses and blanks for them to write them in when they find them. Have quite a few Bibles available - list of verses for the kids to look up. Verses: Matthew 6:14-15, Acts 3:19, 1 John 1:9, Matthew 18:21-22, Colossians 3:13, Ephesians 4:32, Luke 6:37, Romans 12:20. Make it a game. The first team to work together to find all the verses and write them into their worksheet wins, give all the kids in the winning group a small prize.

Station 3: Talk To God - Traffic Light Craft - Pass out the Traffic light craft sheets to the kids. Talk with them about the fact that when we pray God always answers, but sometimes it's not yes. Sometimes it's no or wait. Walk the kids through which circle should be colored red, yellow or green. (No - Red, Wait- Yellow, Yes - Green). Have the kids color in the circles in the correct colors and cut out their circles and the God Always Answers Our Prayers Cutout). Give each kid a black sheet for them to glue their traffic light pieces onto. We will have an example of what the craft should look like at the end.

Fun Station (everyone comes together at the end for this station) - Traffic Light Graham Crackers - Have the kids frost their graham crackers with chocolate frosting then put the red yellow and green M&Ms in the correct order on the traffic light.
