Leaders

Outdoor game Leaders - Charmelle, Issac, Noah, Zane

Game 1: Capture the Hashtag

- Give each team a hashtag they will be trying to protect from the other team. They cannot hold it but they can guard it. Have the teams go to different sides of the field.
- The game will be played similar to capture the flag.
- Once a kid has crossed over to the other teams' side of the field they can be tagged.
- If a kid is tagged on the opposite team's side, they must sit down until someone from their team tags them back in.
- The object of the game is to capture the other team's hashtag and successfully get it to your team's side of the field to win!
- Play multiple rounds if the first one goes quickly.

Game 2: Giant Emoji Volleyball

- The kids will once again stand in teams on either side of the cones on the field. The cones will act as the "net" for volleyball.
- One of the leaders will throw the giant volley ball out to one of the teams and they must hit it over the cones to the other team.
- The object of the game is to keep the volleyball in the air and pass it between the two teams.
- If a team drops the volleyball on their side, that's a point for the other team.
- Play to 10 points.

Game 3: Hashtag Tag

- Choose one kid or leader to be it for the first round. Give them a sheet or two of hashtag stickers.
- They will tag other kids by successfully sticking a hashtag sticker on them.
- Once a kid has been hashtagged they must sit down.
- Keep playing until everyone has been hashtagged.
- If time, remove all the hashtag stickers and choose someone else to be it for a new round.

(After 30 minutes, or when Pastor Corinne prompts you send the kids in for a bathroom/water break. You will get another set of kids after the 5 minute break.)
